

# Quote/Scope of Work Document

## Client Information:

Name: {{customerName}}

Address: {{address}}, {{city}}, {{state}}, {{zip}}

Contact: {{phone1}} / {{email}}

## Project Overview:

This document outlines the proposed home improvement services provided by {{companyName}} to address and prevent pest infestations at the above-stated property.

## Scope of Work:

### 1. Pest Entry Point Sealing:

Identifying and sealing potential pest entry points around the property's exterior, including gaps in windows, doors, and foundational cracks. The use of high-quality sealants and materials ensures long-lasting protection.

### 2. Moisture Control Installations:

Install moisture barriers or improvements to drainage systems in critical areas to reduce pest attraction due to moisture.

### 3. Vegetation and Landscaping Adjustments:

Trimming of overgrown vegetation and modification of landscaping features to eliminate pest harborage near the property.

### 4. Physical Barriers:

Installation of physical barriers, such as screens over vents or chimney caps, to prevent pest entry.

## Timeline:

Work is scheduled to commence on [Start Date] and is expected to be completed by [End Date]. Any changes to this schedule will be communicated promptly.

## Client Responsibilities:

The client is requested to provide clear access to the work areas and address any specific property concerns with the service team prior to project commencement.

## Investment:

The total investment for the proposed home improvements is [Total Cost]. This includes labor, materials, and any other associated costs. A detailed breakdown can be provided upon request.

## Terms and Conditions:

- A [Percentage] deposit is required to commence work, with the balance due upon project completion.
- Any additional work not outlined in this scope will be quoted and approved separately.
- The client will be notified immediately of any unforeseen issues that may affect the project cost or timeline.

**Acceptance:**

To accept this quote and proceed with the services outlined, please sign and date below and return a copy to {{companyName}}.
